

**Deedee Myers Joins with Other Leaders and Speakers at “A Community of Action: You are the Leaders”**

April 16-18, 2008

Tacoma, Washington

Deedee Myers adds her expertise in succession planning and living on purpose to help inter-generational leaders from the development disabilities field to explore common values and goals in working toward inclusive communities.

This unique gathering offers a variety of experiences including; tools, stories and opportunities for exploration. It will focus on personal development and how a community of people can work differently together.

Deedee will facilitate two breakout sessions; one on *Living Your Purpose as a Leader* and on *Succession Planning: Its Evolving Role in Development, Culture and Retention*.
